

List of references for the poster titled: **“Concordant or not? Performance and concordance rates analysis of ten prediction algorithms on clinically relevant variants from the BRCA1 and BRCA2 genes”**.

Authors: Erda Qorri, Bertalan Takács, Márton Zs. Enyedi, Alexandra Gráf, Lajos Pintér, Ernő Kiss, Lajos Haracska.

The citations appear in the same order as they are listed in the “Aims” section of the poster.
